"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

2 CHRONICLES 7:14

# A LETTER FROM OUR BOARD

Welcome to the Remnant Alliance program. The Remnant Alliance is a team of faith-based organizations and churches, who have chosen to be part of God's faithful, who actively uphold His will on earth and oppose evil in our land. We have a clear plan of action and are standing in the gap.

Since the beginning of human history, the battle for the souls of men and women has been waged. This battle is between two kingdoms. On one side are the forces of evil lead by Lucifer himself. On the other is Almighty God with His forces of truth and light. This battle is not just played out in individual lives, but also in the governance of our land which either promotes God's soul saving kingdom or opposes it. In fact, the evil we are witnessing in our streets and government today is not some short-term political movement, but rather a manifestation of this very conflict that won't end until we meet our Lord face-to-face.

We believe we are witnessing the end of the age, which for Christians, is the time of engagement! The instrument of engagement has changed through the years, but God has always chosen a special person or people to carry out His will on earth. Abraham, Moses, Esther, the disciples, and many more saints have joined this battle and made the difference, even when hope seemed lost.

Right now, we are blessed with the opportunity to stand and fight for the noble cause of God's liberty, first witnessed on Calvary's cross. We, God's remnant, have been given a wonderful gift, for in all of history, we are here now to answer God's call to engage. The Remnant Alliance has been formed to provide the tools and support for Pastors to address the pressing issues in our culture and thus uphold the Kingdom of God.

We also believe that God is raising up a host of remnant pastors specifically for such a time as this. Pastors who have the heart and courage to move beyond the church house, calling and preparing their congregations to engage in the civil arena which is in great decay. By joining together with the commitment to stand for God's kingdom, we, His remnant, will actively lift Jesus up to turn our land back to God's standard for living, and in turn, oppose the forces that would keep souls from salvation.

We pray you will join other churches across the nation as we set out to resist and overpower our enemy, once again overcoming darkness with light.

**“Light shines in the darkness and the darkness did not comprehend it.” John 1:5**

## Who is the Remnant Alliance:

We are a team of ministries and faith-based organizations who are committed to providing a clear path for pastors and churches to move into active engagement with culture for the purpose of bringing God's moral values, once again, as the foundation of America's success, while also opposing evil in our land.

## Mission statement:

To educate, motivate and equip the body of Christ so they have the tools to influence culture and governance, and lead America back to God's moral values as our standard for living.

## Vision statement:

To see the body of Christ awaken across our republic, exercise their leadership role to influence others for God, and in turn, restore the Judeo-Christian foundations that brought America's great blessings and welfare.

## Churches are the key, but pastors are overwhelmed. Remnant Alliance is the toolkit to expand the Kingdom of God.

So many within the body of Christ see the satanic evil that is working to destroy souls and our God-given republic. They want to do something about it, but they don't know what to do. They often have no plan of action to follow, and don't have someone to lead the way.

We of the Remnant Alliance are here to fill that gap. We have established a comprehensive plan with a united team of ministries and professional organizations to manage a specific path that takes pastors and church leaders from feeling confused and paralyzed, to actively leading their congregations to overcome evil with the Power of God through His people's work. Our strategy isn't talk, it is a clear, step-by-step plan to make churches the hub of local light and local action for God's purpose in every community of our republic.

## The Issue is Spiritual / The Solution is Spiritual

When we say the “body of Christ” in the statements that define the Remnant Alliance, we explicitly mean those who uphold to the Judeo-Christian faith in our Lord God Jehovah.

- We believe that there is but one God, eternally existent as three persons: The Father, Son and Holy Spirit.
- We believe the Bible is the Holy, inerrant, infallible, plenary Word of God, and that God’s word is truth and the standard for all that is right and wrong. John 17:17
- We believe that Jesus Christ is God manifest in the flesh. He is the only begotten Son of God, born of a virgin, and that He paid our sin debt in full by shedding His blood on the Cross. That three days later, He rose from the dead; victorious over sin and death, is ascended back to His former glory and is seated at the right hand of the Heavenly Father, and He will come again as King of Kings and Lord of Lords.
- We believe the gospel of Jesus Christ is found in both the gracious kindness and severity of God, Rom 11:22.
- We believe that all of mankind is sinful by nature and choice, and that eternal salvation can only be obtained through faith in Jesus Christ as one’s personal Savior and Lord.
- We believe that God created man, that the bible addresses every dimension of mankind’s existence, and that what God has defined in His word cannot be altered by mankind. This includes but is not limited to: mankind’s creation in the beginning by God alone, the sanctity of marriage between one man and one woman, the existence of only two genders, that sex is designed for the confines of marriage between a man and a woman, that God designed all the races with equal worth and value, and that the earth will remain plentiful until God’s final judgment.

- Develop members as biblical citizens via Patriot Academy courses and other means
- Engage members in local activities through Salt & Light Council and Remnant Alliance Partners based on your focus
- Consider opening your church's doors to homeschool co-ops

## **The Remnant Alliance Commitment:**

- To honor our Mission Statement

- Provide communication continuity between all members of the Remnant Alliance

The intent of the Remnant Alliance is to aid pastors and churches with a plan of action that has options to meet their unique goals and needs. In the Remnant Alliance program, pastors lead their churches, and we are there to support them. Below are the support roles filled by some of our Remnant Alliance partners.

**All Pro Pastors International (APPI) and Recover America** will promote the Remnant Alliance program through their pastoral networks as a specific plan of action to help pastors and churches move toward active engagement in upholding God's moral laws and opposing Godless agendas in our land. APPI will also serve as a critical support network to pastors through one-on-one relationships built in their Champion's Table program. Visit [allpropastors.org](http://allpropastors.org) for more details. *Please note that several other organizations will be promoting the Remnant Alliance but are not listed at this time.*

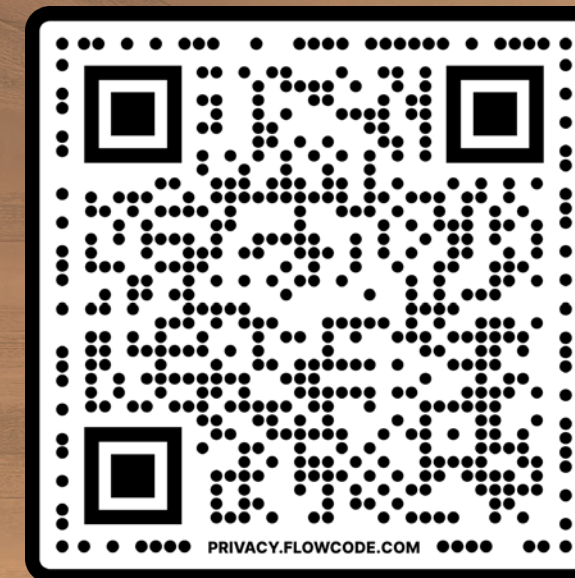

**Liberty Pastors** will provide comprehensive church leadership training, coaching and ministry materials so pastors have the information, tools and processes needed to lead their congregations toward active faith engagement in their local community and governance. The Liberty Pastor ministry is built around in-person training camps lasting up to three days. These camps are held in different locations, at very low cost to a pastor or church leader. Visit [libertypastors.com](http://libertypastors.com) for more details.

**Patriot Academy's Biblical Citizenship** course will be utilized both inside and outside the church to provide clear understanding of the biblical foundations of America and the original intent of our founding documents. Biblical Citizenship training will be used to inspire and educate congregations, and comes in a full-length version, and a shorter lunch-time version. Patriot Academy has other course material concerning our constitution and history of America. Visit [patriotacademy.com](http://patriotacademy.com) for more details.

**Salt & Light Council (SLC)** ministry will be utilized, at the pastor's discretion, as the main in-church platform to aid pastors in training and equipping congregations to preserve culture by applying a biblical world view in the community. This is a sustainable, turn-key ministry with cutting-edge training, education, and support. They focus on prayer, biblical world view education, Faith-in-Action, Elections, and Restoration. SLC will serve as the launching point for a host of other faith organizations that offer pastors options to expand the reach and effectiveness of church engagement. A goal of SLC and all other ministries is to reduce the workload of pastoral staff by being church member lead, with oversight from the pastor/staff. Visit [saltandlightcouncil.org](http://saltandlightcouncil.org) for more details.

**Citizens Defending Freedom (CDF)** will work in conjunction with Salt & Light Council Ministry to support a church's engagement efforts throughout the community and with local governance. CDF brings long-term support functions to pastors and churches that are driven by the specific needs and focus of a church. Support may include: media and communications assets to promote church efforts to broader audiences; information analysis on community issues to bring important insight on key topics; legal training, education, and resources to enable engagement with the broader community on matters of constitutionally protected liberty; legal case screenings and access to a network of legal counsel on breaches of law or liberty to protect the well-being of the general public; help with local action and more. In some locations, this support may be combined with an added county-level CDF team that focuses on in-depth community issues like protecting children from abuse in the education system. Visit [citizensdefendingfreedom.com](http://citizensdefendingfreedom.com) for more details.
